To Whom It May Concern:

On April 21, 2011, I had the pleasure of hosting Liberty Winds at a recital and reception at my official residence, *Cedarhurst*. The group played a mix of classical and well-known American music to an enthralled group of about 100 people. The Liberty Winds' varied selection had something to please everybody. Guests who attended still rave about how much they enjoyed the concert.

I look forward to future Liberty Winds concerts. The ensemble showcases U.S. culture and serves a positive public diplomacy role.

Sincerely,

A handwritten signature in cursive script that reads "Grace W. Shelton".
